VOLUNTEER EXPERIENCE

One Love, One Heart | January 2020

Mustard Seed Communities began in 1978 in the community of Mona Common on the outskirts of Kingston, Jamaica, as a home for a handful of abandoned and disabled children. I spent the week assisting with the kids in their classroom, feeding time and any physical activity they were able to do.

Support & Understanding | May 2019

Spent 2 weeks in South Africa, working with Baphumelele Children's Home who seeks to provide a temporary shelter for vulnerable/orphaned children and young adults with chronic diseases and HIV/AIDS. I spent time in their classrooms working with the kids and assisting in any way necessary.

Building Bridges | March 2018

Spent a week in San Francisco, working with people experiencing homelessness. My team and I went from one shelter to another, getting to know the people of the shelters while assisting with general help and serving food.

VICTORY Tutorials, Austin Partners In Education (APIE) Foundation Communities | Fall/Spring Sem 2016-2020

Helped students to complete and better understand their homework as well as to improve their study habits. Assist to improve their computational skills in math and helped understand and strengthen their problem-solving skills • Interacted with students through sports and other outdoor activities.

LEADERSHIP EXPERIENCE

Site Lead for S.E.R.V.E Austin | 2017, 2018

In charge of a group of students at a volunteer site visited weekly and lead reflections about our experiences and what we learned

Coordinator for S.E.R.V.E. 1 Day | 2017, 2019

Overseeing the event, keeping contact with partners, managing leads and their groups, having a schedule to follow and goals to achieve, working with reservations, getting food delivered. Basically, working in the behind the scenes of the operation.
